

Email – POP/IMAP

Critical Information Summary

Information about the Service

Email is a core essentials of the internet. Escape offers a virtual mail server for companies to use to host their email. Available protocols for this service are POP or IMAP. All servers are in secured data centres for reliability and availability. Mailboxes have a fixed limit up to 10gb.

These services are offered on a monthly basis with no minimum term of service.

- No Early Termination fees apply if the service is cancelled but data stored on our servers will be deleted at the time of cancellation.
- The service requires no additional hardware for the customer.
- Escape makes no guarantee on data integrity for POP and IMAP mailbox contents. We perform regular backups but not in real time. For real time reliability please consider Hosted Exchange.
